

## English 8 – Paragraph Structure

---

Every paragraph typically follows in the same structure:

1. **Topic Sentence:** The sentence that begins the paragraph. It should clearly state the topic and grab the reader's attention.
2. **Body:** These are the points that expand on the topic. They should be arranged in some kind of order and should be connected.
3. **Concluding Sentence:** The last sentence in the paragraph. It should obviously end the paragraph by summing up the writer's thought in an interesting way
